

NYC COMMUNITY PLAN

1. The group must be located in one of the 5 boroughs of New York City: Manhattan, Bronx, Queens, Staten Island and Brooklyn.
2. There is no minimum contribution.
3. There are no participation guidelines.
4. If the group is doing a dual option with MC or EPO you must follow the MC guidelines for both participation and contribution percentage.
5. Everyone enrolling in the NYC Community Plan must work **or** live and access health care in the five boroughs of NYC.
6. Every one enrolling must pick a NYC Community Plan Primary Care Physician and put the ID number on the enrollment form.
7. Management Carveouts are allowed for NYC Plans.
8. Waivers are not required but the NYS 45 must clearly indicating who is full time and waiving if not supplying waiver forms
9. If the broker wants to know how to find a NYC Community Plan Primary Care Physician;

Below is how to look up a doctor in DOC FIND

If they give you a Physician ID #

The screenshot shows the Aetna DocFind website interface. The browser is Microsoft Internet Explorer. The page title is "DocFind - Microsoft Internet Explorer provided by Aetna". The address bar shows "http://www.aetna.com/docfind/home.do". The page content includes a navigation menu on the left, a login section for Aetna Navigator, and search options. A blue arrow points to the "For doctor and facility" link in the navigation menu. The search section has fields for Geographic Information (Zip, City, County), Provider Category, Provider Type, and Plan. There is also a "Search by Name" section with fields for City, State, and Provider Category, and a "Start Search" button.

Go and search by the ID #
